Sir

During my incumbency of this office there has accumulated from time to time mutilated coins - a list of which are found below - I have sent them to the U.S Treasury once for redemption but they were returned to me without giving reasons - I thought - I would apply to you to know if you could take them at their value or if you could suggest any way of my disposing of them -

1 Trade Dollar not mutilated
1 U.S. Quarter hole in it
2 " Dimes mutilated

17	Nickel	5$	"
3	"	3$	"
11		2$	"
29		1$	"
6	Copper	1 old	"
